

Recommended Knowledge & Skills for Service Coordinators (SC)

What are they?

A working draft of knowledge & skills that would be expected of all service coordinators regardless of state, lead agency, or service coordination model.

Tools Used/Referenced

How were they developed?

#1

Review existing resources, identify commonalities & determine gaps

#2

Draft with universal language and group input

#3

Crosswalk drafted to ensure the law & Evidence-Based Practices are represented

#4

Seeking input, guidance and support

Next Steps:

- 1) Gain input from Early Childhood Personnel Center & DEC Leadership
- 2) Gather feedback from larger National SC Training Workgroup members
- 3) Review with larger group of SC stakeholders in our nine states
- 4) Compare/Align with DEC EC Standards (once developed)
- 5) Disseminate and gather input from other SC Stakeholders across the nation
- 6) Determine how they will be supported, evaluated and implemented once vetted
